4 September 1953

MEMORANDUM FOR: Acting Deputy Director (Administration)  
SUBJECT: Security of Buildings - West Potomac Park

1. In accordance with your instructions, the requirements for fencing, floodlights and certain soundproofing in Buildings   Curie Hall, Alcott Hall and Barton Hall have been reviewed with the Security Office.

2. Attached hereto is a memorandum from the Chief, Physical Security Branch, in which he has outlined his reasons why these security measures should be undertaken.

3. As reported earlier, the cost of fencing around the subject buildings would cost approximately \$28,000. The floodlighting will cost approximately \$7500 and soundproofing of certain areas in Curie Hall will cost approximately \$11,000. I understand from the Chief, Physical Security Branch that the justification for these security measures has been discussed with the Director of Security.

4. Information is requested at the earliest practical date as to whether or not we should proceed with the work. In accordance with the requirements of the Physical Security Branch, the soundproofing must be accomplished prior to the occupancy by Agency activities.

Acting Chief, General Services Office
